

Laryngeal Teaching Series

Order Form

Vol. 1: Inside the Voice

A unique video of the inside of the throat showing the vocal cords, larynx and vocal tract producing a variety of sounds, such as: talking with varied pitch, loudness and voice quality; laughing, sobbing, coughing and throat-clearing; animal noises; talking after inhaling helium; singing, and more!

Vol. 2: Inside the Scream

This video shows the inside of the throat, vocal cords, larynx and vocal tract of a leading voice trainer during screaming and shouting.

Vol. 3: Inside the Singing Voice

Original video of the inside of the throat showing the vocal cords, larynx and vocal tract during various styles of singing. Featuring: classical soprano; classical countertenor; jazz; pop/rock; one larynx singing in several different styles; belting; four different styles of overtone (throat) singing, and more!

Vol. 4: The Complete Series

A compilation video featuring *Inside the Voice*, *Inside the Scream*, and *Inside the Singing Voice* all on one DVD.
